## THOUSANDS OF TIRES RECOVERED FROM THE SEAFLOOR DURING THE 2008 FIELD SEASON

Army and Navy divers and boats work together to conduct salvage training and  
remove coral killing tires from the ocean

**WHAT:** Media opportunity to interview members of the project team

**WHEN:** April 22, 2008

**WHERE:** (Three locations) Washington Navy Yard in Washington, DC, the FL DEP in  
Tallahassee, FL and in Ft. Lauderdale, FL

**NOTES:** Still images and B-Roll of the underwater tire field will be made available to  
media.
